Wishing you all a wonderful winter break! Before you go, we wanted to be sure and share some updates from Wildcat Country. Happy Holidays!

FINANCIAL AID LETTERS ARE GOING OUT!

The first batch of financial aid offer letters were mailed to students in late November. Students can also access an electronic version of their letter through the **Next Steps Center**. The e-version of the letter includes helpful videos and a glossary to help students review their personalized financial offer.

BAIRD SCHOLARSHIP

The Baird Foundation offers four-year scholarships to exceptional students graduating from Arizona high schools each year. Selected students will join the community of Baird Scholars at the University of Arizona and the **Honors College**.

This prestigious award is \$12,500/year plus a full tuition scholarship to UA. In order to apply for the Baird Scholarship, students must be admitted to UA and have a 3.75 GPA or higher. More information and application requirements are available in **Scholarship Universe**.

ARIZONA ASSURANCE DEADLINE - JAN 31, 2020

Students who wish to be considered for **Arizona Assurance** need to complete their UA application and FAFSA by January 31, 2020. Students who meet the initial eligibility criteria will then be invited through their University of Arizona email address to complete additional steps (Resource Evaluation form, confirm Arizona residency, and in some scenarios Resource Evaluation form or waiver for the non-custodial parent along with tax verification).

Please check out all of the details regarding this incredible need-based opportunity the Office of Scholarships & Financial Aid **website**. If students have questions please connect with your school's admissions counselor or our Office of Admission

SCHOLARSHIP UNIVERSE

Now is the time that seniors should be applying for scholarships to help pay for college. The University of Arizona built a great scholarship database to help students identify and apply for scholarships. **Scholarship Universe** is only available to admitted UArizona students and it is designed to make finding scholarships easy by asking a student to fill out a survey connected to hundreds of scholarships on the database.
