March 2020 Counselor Updates

## NEW ADMISSIONS DEADLINES

We care about you and your students and understand that more time may be needed to complete applications or pay enrollment fees. In response, we have extended our first year application deadline as well as our Enrollment Fee deadline to June 1, 2020.

## NEW DEADLINE FOR ACT AND SAT SCORES

The University of Arizona will accept scores from the ACT rescheduled for June 13, 2020. In addition, we will accept scores from the SAT that has been rescheduled to June 6, 2020 for merit scholarship review. Students must list Arizona when they register for the exam or during the test itself for the test score to be used for scholarship consideration. Students are encouraged to reach out to their **admissions representative** for more info.

# CONNECT WITH US VIRTUALLY

Your health, the health of your students and the health of our University of Arizona community is our utmost concern. At this time, following CDC recommendations related to large gatherings and in an abundance of care for your family and ours, we have made the decision to suspend all campus tours, outreach tours and events for the remainder of the spring 2020 semester.

Until then, we invite you and your students to connect with us online!

- Visit our campus online through our **Virtual Tour**.
- Check out this **YouTube playlist** of student-produced videos about our campus experience.
- Learn more about the different opportunities for University of Arizona Housing by visiting **Housing & Residential Life**.
- Watch the **AZ Home Playlist** for individual dorm tours!
- See how your students can get involved on campus by exploring the over 600 student clubs and organizations recognized through the **Associated Students of the University of Arizona**.
